Hosting the Fis Fesa Continental Cup and Fesa Games Cross Country skiing competitions in Valfurva represents yet another opportunity to give prestige to the tourist resort of S. Caterina which it has done and continues to do over the years the organization of sporting events is one of its strengths.

A cordial welcome to our land to all athletes and companions and a special wish for good job to the organizing committee and to all the volunteers who will participate in an event that it will certainly be able to give strong emotions to the athletes and to all those who will be present to support them along the route of our fantastic track surrounded by the natural beauty of the Stelvio National Park.

Location

Santa Caterina Valfurva features several stunning itineraries which are just perfect for cross-country skiing enthusiasts. Valtellina track is structured along a wide plain and thick woods at an altitude of 1800 m. It is characterized by 5 and 10 km rings and ups and downs between 190 m and 390 m of altitude. The track shows original technical solutions and a demanding slope: they are much appreciated by the most experienced cross-country skiers.

Of course Santa Caterina is excellence for everyone: next to the competitive track there is an easier track with 2, 3 and 5 km rings. It's just perfect and accessible for beginners too.

“La Fonte centre” is located at the start of the Valtellina track. It's run by the ski instructors of the cross-country ski school and it is a true meeting point for all cross-country skiing fans. You'll find changing rooms, waxing room, a place to store your clothes and equipment so that your skiing experience is even more comfortable.

The high altitude and the lovely position of Santa Caterina Valfurva guarantee perfect snow conditions on all tracks throughout the winter season.
